

## MISERABLE FOR TWO YEARS

### "Fruit-a-tives" Restored Her Strength and Vitality

MOULTONVILLE, CARROLL CO., N. H.  
"I was all run down and work was burdensome owing to indigestion, and gas on my stomach which caused me to belch a good deal. My heart seemed to be affected.

It was two years ago that I was in this condition and began the use of "Fruit-a-tives", which proved the very remedy I required. I was freed of the indigestion, which I attributed to my heart; and I can conscientiously recommend "Fruit-a-tives" the great Fruit Medicine."

#### STEADFAST CONFIDENCE

The Following Statement Should Form Conclusive Proof of Merit to Every Barton Reader.

Could stronger proof of the merit of any remedy be desired than the statements of grateful endorser who say their confidence has been undiminished by lapse of time? These are the kind of statements that are appearing constantly in your local papers for Doan's Kidney Pills. They are twice told and confirmed, with new enthusiasm. Can any reader doubt the following? It is from a Barton resident.

H. A. Folsom, proprietor butcher shop, Glover St., says: "I have used Doan's Kidney Pills and consider them an excellent kidney and back-ache remedy. At times I am subject to a lame and aching back and my kidneys do not act right. Doan's have brought me relief from the lame and aching back, regulated the kidney secretions and benefitted me generally." (Statement given June 5, 1911).

On May 14, 1920, Mr. Folsom said: "I still think Doan's Kidney Pills are very good. They cured me and I am glad to say a word in praise of them." Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Folsom had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## CALEDONIA COUNTY

Harvey Morency of St. Johnsbury employed at the Boston & Maine roundhouse at Lyndonville was instantly killed last Tuesday morning when an engine, which he did not see, entered the roundhouse, backed against him, crushing him to the wall. He had been employed by the railroad for 20 years and had recently been acting as watchman at the roundhouse.

Thursday night just at dusk Harley Higgins of St. Johnsbury, in company with a farmer from North Danville were en-route to St. Johnsbury. Just in the outskirts of the village, saw a big buck come down the hill back of Nundercliff and cross Sleepers' river. Close to the river bank the deer became hopelessly entangled in a wire fence. Cautiously approaching the captive the farmer grasped him by the antlers and Higgins with one quick thrust of his pocket knife dispatched the animal.
